Are you **65 years or older**, and looking to have **your chronic disease medication costs covered?**

The ACCESS study is investigating the impact of providing **full coverage for your chronic disease medication** (eliminating all out of pocket costs), and the impact of **personalized** education.

- **Is your annual household income less than \$50,000?**
- **Have you ever been told you have any of the following conditions:**
 - Chronic Kidney Disease
 - High Cholesterol
 - Heart Disease (such as heart attacks, angina, stents, or bypass surgery)
 - Heart Failure (Weak Heart, water in your lungs)
 - Stroke
 - Diabetes
 - High Blood Pressure
 - Smoking

No in-person visits or appointments required
Drug coverage is through Alberta Blue Cross Seniors plan
